Summer Celebration Last Minute Needs!

Your response to our plea for help has been phenomenal - thank you SO much! We still need to borrow three electrical leaf blowers – can anyone help? (Please label if you drop one off so it can be returned – thanks!)

COOS Food Closet Needs

Many thanks to you who have contributed food and money for groceries so that our Food Closet can help our neighbors in need. Our shelves are low in canned tuna, jam/jelly, and any canned or fresh meat that we can freeze and give out – please consider picking up an extra item when you shop. Thank you!

The parish office will be closed on Friday, July 4th.
